

# DNA matching for BIRTH PARENTS AND ADOPTEEES

When you make contact with a potential birth parent, it is absolutely critical that you do one of these DNA tests for both of you. If the birth parent isn't a match for you, they will then be in a database for a possible future match.

## AUTOSOMAL DNA TEST

**MORE MATCHES:** parents, siblings, cousins

TWO  
OPTIONS

## CODIS DNA TEST

matches parents only

ADOPTEEES
